2

Read

Check out a book written by a Native American author! Ask for recommendations at your local library. Make it a mini book club and discuss your pick with friends or at your club!

3

Watch

We can learn a lot through film and cinema. Choose movies to watch that help celebrate the Native American culture and experience. Host a viewing party with your club! Here is a list of films as ideas to get you started: <https://bit.ly/3E9I9PE>

4

Give

Cook

Prepare a traditional Native American recipe for dinner. Make it as authentic as possible by researching the dish's origin and different versions of the recipe. Ask for recipe books or resources at your local library. Incorporate at least one Native American dish into your Thanksgiving Dinner!

6

Experience

Head to a museum or cultural exhibit in your area to learn more about Native American history and cultures. Don't have a museum close by? Check out an online exhibit and explore it with your club!
